1. We would appreciate a clarification of our present relationship with CANLIT. Since no FPO was submitted on this project in 1961, and since MOB advised Karlsruhe (reference 2) that no more deposits would be made in CANLIT's holding account after 19 March 1961, we assume that we have been incurring no further financial obligations in regard to CANLIT.

2. During the first half of 1961, the following reports from Subject were received here: MOB-10336, MOB-11166, MOB-11181, MOB-11182, MOB-11216, MOB-11218, MOB-11246. All but one of these were disseminated. We are glad that CANLIT is still able to provide us with intelligence, at the same time keeping his SORETHIN projects processing satisfactorily. Reference 1 stated: "The understanding is that ☐ will remain in complete control of the political aspects of the existing SORETHIN relationship." May we be informed as to whether this situation still exists?
